

# The Harvest Song

(left column: call; right column: response)

1.

**C**                    **F**            **C**  
Today the ground on which we stand  
**C**                    **F**            **C**  
Has always been Aboriginal land  
**C**                    **F**            **C**  
We're growing healthy plants and soil  
**C**                    **F**            **C**  
Chemical free is better for all

**C**                    **G**            **C**  
We sing good health to the land and sea  
**C**                    **G**            **C**  
We sing good health to the land and sea  
**C**                    **G**            **C**  
We sing good health to the land and sea  
**C**                    **G**            **C**  
We sing good health to the land and sea

## Chorus:

**C**    **G**    **F**    **C**  
Oh, oh, oh, oh  
**C**    **G**    **F**    **C**  
Oh, oh, oh, oh

**C**                    **G**            **C**  
We sing good health to the land and sea  
**C**                    **G**            **C**  
We sing good health to the land and sea

## Verse 2:

**C**                    **F**            **C**  
Peas and beans enrich the soil  
                 **C**                    **F**            **C**  
For cane and sunflowers to grow so tall  
**C**                    **F**            **C**  
Worms and fungi and nematodes too  
**C**                    **F**            **C**  
We work to make a happy underground zoo

**C**                    **G**            **C**  
We sing good health to the land and sea  
**C**                    **G**            **C**  
We sing good health to the land and sea  
**C**                    **G**            **C**  
We sing good health to the land and sea  
**C**                    **G**            **C**  
We sing good health to the land and sea

**Verse 3:**

**C**                    **F**        **C**  
Mackay is ready to lead the way  
**C**                    **F**            **C**  
Regenerative agriculture's here to stay  
**C**                    **F**            **C**  
Sun and water, flower and leaf  
**C**                    **F**            **C**  
We sing good health to the Barrier Reef

**C**                    **G**        **C**  
We sing good health to the land and sea  
**C**                    **G**        **C**  
We sing good health to the land and sea  
**C**                    **G**        **C**  
We sing good health to the land and sea  
**C**                    **G**        **C**  
We sing good health to the land and sea

**Chorus:**

**C**   **G**   **F**   **C**  
Oh, oh, oh, oh  
**C**   **G**   **F**   **C**  
Oh, oh, oh, oh

**C**                    **G**        **C**  
We sing good health to the land and sea  
**C**                    **G**        **C**  
We sing good health to the land and sea

(repeat x 4 to end)
