

The Planting Song

(left column: call; right column: response)

1.

C F C
Today the ground on which we stand

C G C
We sing good health to the land and sea

C F C
Has always been Aboriginal land

C G C
We sing good health to the land and sea

C F C
We're growing healthy plants and soil

C G C
We sing good health to the land and sea

C F C
Chemical free is better for all

C G C
We sing good health to the land and sea

Chorus:

C G F C
Oh, oh, oh, oh

C G C
We sing good health to the land and sea

C G F C
Oh, oh, oh, oh

C G C
We sing good health to the land and sea

Verse 2:

C F C
Peas and beans enrich the soil

C G C
We sing good health to the land and sea

C F C
For cane and sunflowers to grow so tall

C G C
We sing good health to the land and sea

C F C
Worms and fungi and nematodes too

C G C
We sing good health to the land and sea

C F C
We work to make a happy underground zoo

C G C
We sing good health to the land and sea

Verse 3:

C F C
 Mackay is ready to lead the way
 C F C
 Regenerative agriculture’s here to stay
 C F C
 Sun and water, flower and leaf
 C F C
 We sing good health to the Barrier Reef

C G C
 We sing good health to the land and sea
 C G C
 We sing good health to the land and sea
 C G C
 We sing good health to the land and sea
 C G C
 We sing good health to the land and sea

Chorus:

C G F C
 Oh, oh, oh, oh
 C G F C
 Oh, oh, oh, oh

C G C
 We sing good health to the land and sea
 C G C
 We sing good health to the land and sea

(repeat x 4 to end)
